## About earpads

This product features a proprietary design in which the outer housing and the front plate that secures the earpad are fastened together by twelve through-bolts. As a result, the earpads are not designed to be removed or replaced by the user. If you wish to have the earpads repaired or replaced, please contact your local dealer or distributor.

## About Cables

Cables are easily affected by various chemicals and oils, and they may harden, particularly when reacting with sebum (skin oils). After using the product, wipe the cable with a soft cloth lightly moistened with water, then wipe it dry with a dry cloth. Do not use alcohol-based wet wipes, as they may cause the cable to harden. Please also avoid non-alcohol wet wipes, as they may contain various additives.

## Warranty and After Service
