FIND YOUR FIT

Select ear tip size

Attach the ear tip to the IEM nozzle

Wrap the cable over the ear

To experience full detail and bass response, a proper seal is essential.

CRAFTED TO LAST

Clean your ear tips after each use.

Loosely wrap the cable around your fingers.

Store IEM in the protective case or in the carrying pouch.

WARRANTY

Meze Audio guarantees this product against defects in materials or workmanship for a period of two (2) years for customers from EU countries and one (1) year for customers outside the EU. During this period, Meze Audio will repair or replace the product or parts at no charge. After the warranty period expires, you are responsible for the repair or replacement of the product. This warranty does not cover other related costs and is independent of the seller's warranty policy, depending on the country. ◦ For the warranty to apply, presenting an original proof of purchase is required. The proof of purchase may be in the form of a receipt or bill of sale from an authorized dealer, and must include the model of the product and the date of purchase. ◦ This warranty DOES cover products sold as-is, open box, second-hand, or display models, as long as original proof of purchase is provided. ◦ This warranty DOES NOT cover cosmetic damage, acts of God, normal wear and tear, accidents, misuse, commercial use, any modifications to the product, improper use, or improper connection. Additionally, it doesn't cover purchases from an unauthorized dealer or attempted repair by anyone other than Meze Audio or another authorized person or unit. This warranty is also void if the product was damaged by a product that it was used with, such as battery leaks or electrical fault of a connecting product. ◦ The warranty is transferable, on the condition that the original proof of purchase is provided. ◦ Meze Audio is

not responsible for the replacement or repair of products if in violation of this warranty. ◦ Some countries may have other restrictions on warranty policies.

RETURN POLICY

We have a 15-day return policy for customers from EU countries, and a 30-day return policy for customers outside EU. Please note that returns can only be processed by the specific seller you purchased from; if you bought through an authorized dealer, you must contact them directly to initiate a return. ◦ We are not responsible for items returned without previously contacting Meze Audio. ◦ If the product you received is defective from Meze Audio or when purchased through any other authorized dealer, you may request an exchange under our warranty.

REFUND POLICY

To be eligible for a refund from Meze Audio, the product must have been purchased directly from the Meze Audio website or from an authorized dealer. ◦ If your product was purchased from other retailers, you must contact that specific retailer. ◦ Products purchased from our website must be returned within 30 days from the purchase date (15 days for customers in EU countries), in order to qualify for a refund. Items must be in functional condition and not damaged by the customer. The package and items must be without any visible damage, and complete with all accessories. The customer is also

responsible for paying all shipping fees to return the product. ◦ You can always contact us for any questions at support@mezeaudio.com.

This product complies with the Electromagnetic Compatibility (2004/108/EC) directive when used and installed according to this instruction manual.

CORRECT DISPOSAL OF THIS PRODUCT (Waste Electrical & Electronic Equipment)

This product conforms with all applicable European regulations and directives. The following regulations are applicable throughout the European Union and other European countries with separate collection systems. This marking on the product, accessories, or literature indicates that the product and its electronic accessories should not be disposed of with other household waste at the end of their working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate these items from other types of household waste and recycle them responsibly to promote the sustainable reuse of material resources.
