

CHESS

CHESS

Our CHESS recliner pays homage to the distinguished design heritage of private clubs that originated in the UK and across major cities worldwide.

Exuding sophistication, this seating model combines rich materials, meticulous craftsmanship, and refined elegance synonymous with these historic meeting places.

FEATURES

Unique triple motorized mechanism:

CHESS is fully adjustable: at the simple push of a button, the backrest motorizes up or down to the preferred height, the footrest goes in or out and the headrest articulates, so one can enjoy proper head and neck support while fully or partially reclined. Available in motorized or fixed version.

LED backlit keypads
control the motorized mechanism
with programmable features
(light intensity, timer, etc.),

FOR INTIMATELY-STYLED THEATERS AND MEDIA ROOMS

From its elegantly rounded backrest to the thoughtfully sculpted armrests, every detail of the CHESS recliner has been designed to balance visual appeal with functional comfort. The innovative reclining mechanism allows for personalized adjustments, enabling users to find their perfect position effortlessly.

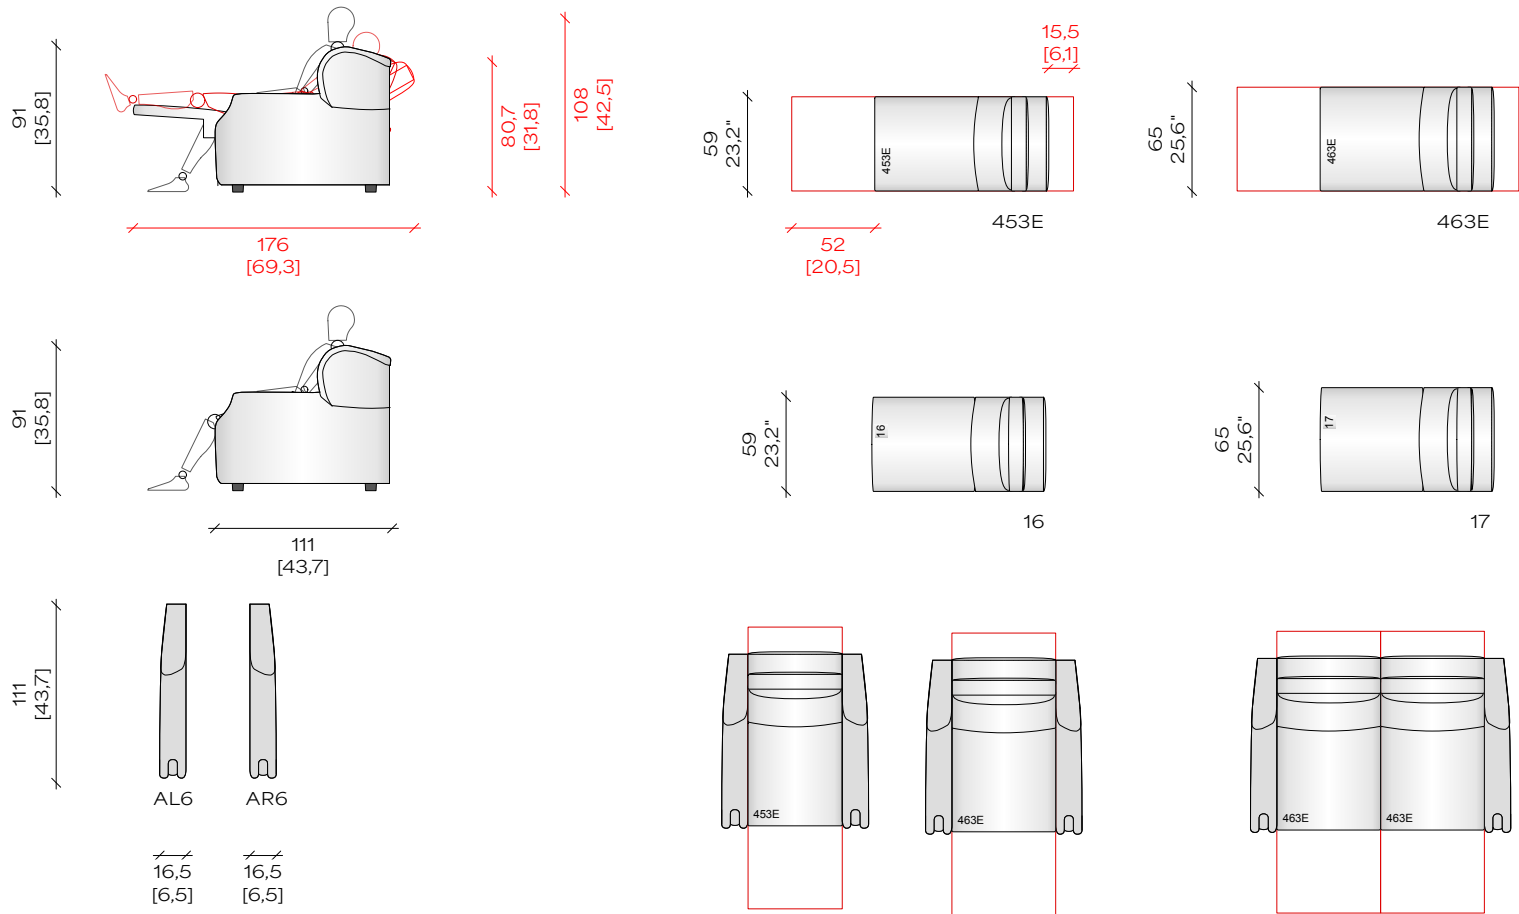

Whether you're enjoying a solo movie night or cuddling up for a romantic evening, CHESS seating is a striking addition to any room, offering an invitation to a luxurious and comfortable seating experience.

ELEMENTS

CHES is available in motorized or fixed version. Both single or love seat come in different seating widths.

Power Specifications: Motorized seating comes with a built-in power supply and a +/- 2 meter power cord.

100-240V - 50/60Hz, 1.6A - Output 29V DC 2A - UL/FCC/CE
